

### **Update: Nuvo player portfolio and BBC live radio streaming**

We are pleased to inform you that BBC radio services have been restored via TuneIn for Nuvo users in the UK. All services should now be as they were prior to this brief interruption. Discussions are ongoing regarding what might be possible for expansion of the current offering and updates will be issued as this progresses.

If you have any queries please contact our wiring devices technical team using the following details:

Tel: +44 (0) 370 608 9020

E-mail: [uk-wdsales@legrand.co.uk](mailto:uk-wdsales@legrand.co.uk)

Thank you for your continued support.
