6. Title and Risk

6.1 Title shall pass to the Customer on payment in full of the price of the Goods and of any other sums due and payable by the Customer at any time.

6.3 The Customer shall hold the Goods as the Company's fiduciary agent and bailee, and shall keep the Goods separate from those of the Customer and third parties and properly stored, protected and insured and identified as the Company's property until such time as title passes to the Customer and shall deliver up the Goods to the Company upon demand.

6.4 The Customer grants to the Company a full irrevocable licence to enter upon any premises in which the Goods are stored or installed (or are reasonably believed by the Company to be), to detach the Goods from any equipment to which they may be attached, and to repossess, sell or deal with any of the Goods in which title remains vested in the Company and the Customer will indemnify the Company in respect of any loss or damage or deterioration to the Goods resulting from any such action.

6.5 The Customer shall not pledge or in any way charge any of the Goods which remain the property of the Company, but if the Customer does so all money owing by the Customer to the Company shall (without prejudice to any other rights or remedy of the Company) forthwith become due and payable.

6.6 The Company may at any time by written notice to the Customer revoke the Customer's right to re-sell the Goods where title thereto has not passed to the Customer. Upon such revocation all such amounts payable in respect of the Goods which have been re-sold shall immediately become due notwithstanding that any period of credit permitted may not have expired.

6.7 In the event that the Customer has sold or otherwise parted with possession of any part of the Goods before payment has been received in full by the Company, the Customer shall hold the proceeds of such sale (or in the case of payment not having been made the debt owed to the Customer by the sub-purchaser) up to the amount or value of the Customer's indebtedness as agent and trustee for the Company and shall account to the Company on demand.

6.8 Risk of damage or loss shall pass to the Customer, in the case of Goods delivered at the Premises at the time when the Company notifies the Customer that the Goods are available for collection or, in the case of Goods to be delivered otherwise than at the Premises at the time of delivery.

7. Warranty

7.1 Subject to clause 7.2 the Company warrants that the Goods will correspond with their Specification (if any) at the time of delivery and will be free from defects in material and workmanship for a period of five years from the date of delivery.

7.2 The Company shall have no liability for defects in the Goods arising or resulting from:

7.2.1 parts, materials, or equipment not manufactured by the Company in respect of which the Customer shall only be entitled to the benefit of any such warranty or guarantee as is given by the manufacturer to the Company;

7.2.2 fair wear and tear, improper or inadequate installation, use or maintenance, accidental or wilful damage, negligence, abnormal working conditions, failure to follow the Company's instructions (whether oral or in writing), misuse or modification or alteration or repair of the Goods by unauthorised third parties or the Customer; and

7.2.3 any incorrect Specification.

7.3 Notwithstanding clause 7.1 the Company shall be under no liability for any warranty, condition or guarantee if the price has not been paid by the due date for payment.

7.4 Except where the Goods are sold to a person dealing as a consumer (within the meaning of the Unfair Contract Terms Act 1977), the warranty contained in 7.1 is given in place of all warranties, conditions, terms, undertakings and obligations express or implied by statute, common law, custom, usage, trade course of dealing or otherwise (including but not limited to fitness for a particular purpose), all of which are excluded to the fullest extent permitted by law.

7.5 The Company shall within the warranty period repair or at its option replace any defective Goods where such defects appear under proper use provided that the Company receives written notice from the Customer of any alleged defects and the Goods are returned by the Customer to the Premises before the expiry of the warranty period.

7.6 Repaired or replaced Goods shall be redelivered by the Company free of charge to the original point of delivery. Repaired or replaced Goods are subject to these Conditions except that in the case of repaired goods, the five year period referred to in Clause 7.1 shall be replaced by the unexpired period of the warranty.

7.7 The Company shall at its sole discretion be entitled to supply an advance replacement of the defective Goods. For the avoidance of doubt it is confirmed that the Company has no obligation to supply an advance replacement of the defective Goods. In the event that an advance replacement is supplied and the Goods are not defective the Customer shall be liable to pay the price of both the advance replacement and the Goods.

8.3 The provisions of clause 8.1 shall not apply to any infringement caused by the Company having followed a Specification nor to any use of the Goods in a manner or for a purpose which shall have been specifically prohibited in writing by the Company nor to any infringement which is due to the use of the Goods in association or combination with any other product.

8.4 If the Goods are to be manufactured or any process is to be applied to the Goods by the Company in accordance with a Specification the Customer shall indemnify the Company against all loss, damages, costs and expenses awarded against or incurred by the Company in connection with, or paid or agreed to be paid by the Company in settlement of any claim for infringement of any intellectual property rights whatsoever which results from the Company's use of the Specification.
