SPECIALISTS

Transforming spaces, improving lives

At Legrand we have the knowledge to transform the spaces in which we live, work and meet. Improving the lives of those who design, build, use and maintain them through the delivery of power, lighting and digital infrastructures, all underpinned by our commitment to a more sustainable world.

Our CSR commitment

We're dedicated to creating a more sustainable world, working to improve lives through four main areas of action:

- 01 | DEVELOP A CIRCULAR ECONOMY
- 02 | REDUCE CARBON FOOTPRINT
- 03 | PROMOTE DIVERSITY & INCLUSION
- 04 | BE A RESPONSIBLE BUSINESS

A COMPLETE PORTFOLIO OF PRODUCTS AND SOLUTIONS, BACKED BY SPECIALIST TEAMS AND SUPPORT SERVICES

Data centres

As data centres demand ever-increasing reliability and connection speeds, our dedicated solutions allow you to meet the most exacting requirements in cooling, security, continuous power delivery and micro data centre challenges.
